Armed Forces Flag Day is observed annually on December 7 to honour the valiant soldiers, sailors, and airmen of India, who protect the nation's borders and safeguard its security. The day is dedicated to collecting funds for the welfare of Indian Armed Forces personnel and their families. As part of this national initiative, the NSS Unit of Netaji Subhash Mahavidyalaya, Udaipur, took a significant step in contributing to this noble cause on December 7, 2023.

The NSS volunteers of the college participated actively in raising funds for the Armed Forces Flag Day Fund, helping to provide support to the soldiers who risk their lives for the safety and security of the country. The event took place within the college campus on December 7 and on December 8, 2023, with the active involvement of NSS volunteers. Volunteers visited faculty rooms, classrooms, office rooms of the college where students, teachers, and staff contributed towards the Armed Forces Flag Day Fund. The fundraising initiative was carried out with great enthusiasm, as volunteers approached the college community with the aim of generating awareness about the importance of Armed Forces Flag Day and the need to support the Indian Armed Forces. A large number of students, faculty, and staff members responded positively, contributing generously to the cause.

A total amount of **Rs. 3,700/-** (Three Thousand Seven Hundred Only) was collected during the campaign, which was then contributed to the **Armed Forces Flag Day Fund - 2023**. The funds raised are intended to assist the welfare schemes for the families of the Armed Forces personnel, including providing educational assistance to the children of martyrs, medical support, and financial help to ex-servicemen in need.

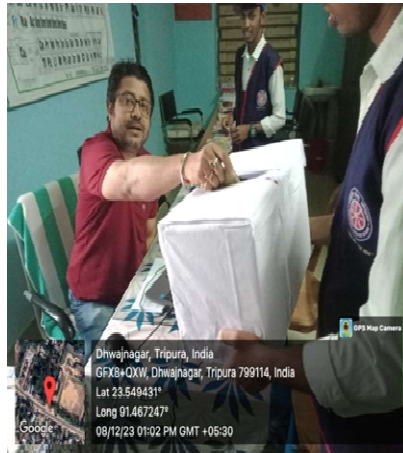

The success of the event can be largely attributed to the diligent efforts of the 40 NSS volunteers who actively participated in the campaign. The Armed Forces Flag Day celebration at Netaji Subhash Mahavidyalaya, Udaipur, organized by the NSS Unit, was a resounding success. Through this initiative, the NSS volunteers not only paid tribute to the soldiers but also raised awareness among the college community about the importance of supporting our defense personnel. The event further strengthened the bond between the civilian community and the Armed Forces, fostering a sense of unity and patriotism among the students. The NSS Unit is proud to have contributed to this national cause and looks forward to continuing such initiatives in the future to support our Armed Forces and promote social responsibility.
