Netaji Subhash Mahavidyalaya
Celebration of Nation Science Day 2025

A brief Report

National Science Day-2025 has been celebrated in the Seminar Hall of Netaji Subhash Mahavidyalaya on 1st March 2025, 12:30 pm onwards. It has been organized by the Department of Physics with great pomp. This year the theme for the celebration was “Empowering Indian Youth for Global Leadership in Science and Innovation for Vikshit Bharat”. The programme has been inaugurated by watering the ceremonial plant by the dignitaries on the dias. This has been followed by the inaugural song by the students of the department. Dr. Soma Banik, HOD, Department of Physics, has delivered her welcome address to the august gathering. Dr. Supriya Dam, TC Secretary of NSM, has also shared a few words on this occasion. Prof. Apu Saha, Department of Mathematics, NIT, Agartala, has acted as an eminent resource person and enlightened the gathering about Artificial Intelligence and its application in daily life. Prof. Sudhan Debnath, Principal, Netaji Subhash Mahavidyalaya, has also enriched the students through his deliberation on Natural Products. He has also presided over the whole session. A speech competition among the students has been organized on the theme topic. The programme ended with the vote of thanks delivered by Sri Debashish Roy Chowdhury, IQAC Coordinator, NSM. The active participation of the students all through the programme was really remarkable.
